Roundy Instructions

Warmly WELCOME at the Roundy movement!

Write your contact- Tel. number and other relevant informations on your Roundy LETTER and put it into the Roundy SAFE. Then put the Roundy SAFE into the Roundy BRACELET or into the Roundy BUTTON and instruct your child how Roundy works.

In case of emergency a trustworthy person should open the Roundy SAFE and call the phone number which is written on the Roundy LETTER. Tell your child who might be this: the next ice-cream vendor, a hotel porter, a clerk in a store, the lift attendant…
